

Gestational Diabetes Conference

Diabetes and Pregnancy: The Sweet Success Model of Care

July 10, 2008

Arizona is pleased to welcome guest speakers Elaine Simon and Sharmila Chatterjee from the California Diabetes and Pregnancy Program, Sweet Success, for an informative one day training in the management and care of gestational diabetes.

Location:

Fiesta Inn Resort
2100 South Priest Drive
Tempe, Arizona 85282
480-967-1441

Registration:

8:00a.m. – 8:30a.m.

Training:

8:30a.m. – 4:30p.m.

Who should Attend:

Arizona WIC RD's, DTR's, nutritionists, and supervisors. WIC professional partners including AHCCCS coordinators, community health diabetes educators, and maternal child health partners.

At the conclusion of this conference participants will be able to:

- Define gestational diabetes
- Identify how gestational diabetes is diagnosed
- Describe the appropriate methods of medical management of the patient with diabetes complicating pregnancy including type 1 diabetes, type 2 diabetes, and gestational diabetes
- Describe the appropriate nutrition and physical activity interventions
- Describe the potential maternal and fetal complications
- Identify postpartum follow – up interventions

This training is provided at no cost and is limited to 100 participants on a priority basis. RD CEU's pending.
